

In the event an emergency is identified for the campus that requires rapid and widespread dissemination of information to the campus community, University Police will use a two-wave approach to alert and inform. The first wave will require approximately 10 minutes to complete. A second wave of information will follow that will provide updates to the emergency, as needed.

The pre-recorded messages of the First Alert Wave have been developed to address a variety of emergency conditions. It is important that individuals understand the nature of the warnings for the alert system and what to do if a pre-recorded alert is sounded.

Tornado Warning- A tornado warning means a tornado has been sighted or is indicated by weather radar in the area of the campus.

- Individuals in a building should stay inside and shelter in-place in an interior hallway or room that is away from glass doors or windows at the lowest possible level.
- Visit www.salisbury.edu/healthsafety/buildings for shelter in-place detail by building.
- Individuals outdoors should immediately seek shelter indoors.
- If outdoors when a tornado approaches and a building is not accessible, lie down in a low area (ditch, etc.) and cover your head/face. The tornado warning will remain in effect until an all-clear notification has been given.

Armed Intruder Warning- An armed intruder warning means that one or more persons are armed with weapons on or in the immediate area of the campus.

- If you are indoors you should secure your office/room doors and stay quiet.
- Notify University Police if you know the location of the intruder(s).
- If possible, monitor the Second Alert Wave resources for updates.
- If you are outdoors, be alert to your surroundings and seek shelter. The armed intruder warning will remain in effect until an all-clear notification has been given.

Campus Evacuation

- If there is an event that requires the immediate evacuation of the entire campus, everyone is expected to stop what they are doing and leave the campus in an orderly manner.
- Vehicle traffic will be managed by University Police with possible assistance by county and city agencies, as available.
- Evacuation will remain in effect until an all-clear notification has been given.

Seek Shelter- An event other than a tornado that requires the campus community to seek shelter immediately.

- Individuals should close windows, doors and take shelter in areas away from glass.
- Remain indoors until an all-clear notification has been given.
